

TYNEDALE CC CHANGING AND SHOWER POLICY

Ideally, all junior players (under 18s) should arrive at the venue changed and ready to participate as most clubhouses do not have separate changing facilities for children.

- Adults must not change, or shower, at the same time using the same facility as children - if the same changing room is used then they must have different times
- If adults and children need to share a changing facility, they must do so at different times.
- Mixed gender teams must have access to separate male and female changing rooms
- Due to the risks of inappropriate photography or filming, **mobile phones must not be used in changing rooms**
- If children are uncomfortable changing or showering at the club, no pressure should be placed on them to do so. Suggest instead that they may change and shower at home

If you have any concerns over changing and showering arrangements please contact a Club Welfare Officer.
