

Tynedale Cricket Club Missing Children Guidelines

If a child, for whom the Club has responsibility, goes missing, the following guidelines have been devised to clarify the actions to be taken:

- Ensure other children in our care are looked after appropriately while we organise a search for the child concerned
- Inform the child's parents, if they are present at the event, or nominate an appropriate person to telephone them and advise of the concern. Reassure them we are doing all we can to locate their child. Remember the child may contact the parents directly so this action is very important
- Organise all available responsible adults by areas to be searched. It is best to take a short time to organise the search properly so that all places are searched fully
- Send searchers immediately to any exits to the venue to ensure the child has not left, and to any obvious potential danger spots such as the road outside the Club
- Search the area in which the child has gone missing including changing rooms, toilets, public and private areas and the club's grounds
- Request all those searching to report back to a nominated adult at a specific point
- This nominated person should remain at this reference point and make a note of events, including a detailed physical description of the child. This should include approximate height, build, hair and eye colour as well as the clothing the child was wearing and where and when they were last seen. All this will be required by the police. If the search is unsuccessful you should then contact the police
- A report should go to the police no later than 20 minutes after the child's disappearance is noted, even if the search is not complete
- If the police recommend further action before they get involved, follow their guidance
- If the police act upon the concern, always be guided by them in any further actions to take.
- At any stage when the child is located, ensure all adults involved are informed including the parents, searchers and the police if, by then, they are involved
- All missing child incidents MUST BE notified at the very earliest opportunity to the Club Welfare Officer, who must immediately notify the County Welfare Officer, and they must then notify the ECB Safeguarding Team.
